

Shell Advance 4T AX7 Scooter 10W-30

synthetic based 4 Stroke scooter engine oil

Shell Advance 4T AX7 Scooter is our premium-tier 4 stroke scooter engine oil. Its part synthetic formulation consists of high quality synthetic base oil and scooter-specific additive pack with Active Cleansing Technology. The high quality synthetic base oil combined with the unique Active Cleansing Agent in the additive pack helps to cleanse and keep the scooter engine cleaner. A clean scooter engine will run more efficiently and will be better protected.

Shell Advance 4T AX7 Scooter four-stroke scooter engine oil meets the requirements of most scooter manufacturers. Scooter is also commonly referred to as “Automatic gear bike” or “Scooter-matic”.

DESIGNED TO MEET CHALLENGES

Performance, Features & Benefits

- Keeps engine cleaner
- More efficient power delivery & enhanced responsiveness
- Reduces engine noise & vibration
- Protects & prolongs engine life

Technology:

Shell Active Cleansing Technology helps prevent dirt particles sticking together to form deposit.

Main Applications

Performance air and water-cooled four stroke scooter engines with automatic transmission.

Shell Advance 4T AX7 Scooter oil is suitable for use in all scooter engines fitted with a dry-type clutch system.

Specifications, Approvals & Recommendations

The product is available in different viscosity grades:

- SAE 10W-40, 10W-30

All the formulations exceed the following international specification:

- API SM
- JASO MB

For a full listing of equipment approvals and recommendations, please consult your local Shell Technical Helpdesk.

Typical Physical Characteristics

Properties	Method	Shell Advance 4T AX7 Scooter (SM/MB)
SAE Viscosity grade		10W-30
Kinematic Viscosity @40°C cSt	ASTM D445	74.33
Kinematic Viscosity @100°C cSt	ASTM D445	10.89
Viscosity Index	ASTM D2270	135
Density @15°C kg/m ³	ASTM D4052	862.1
Flash Point °C	ASTM D92	246
Pour Point °C	ASTM D97	-33

These characteristics are typical of current production. Whilst future production will conform to Shell's specification, variations in these characteristics may occur.

Health, Safety & Environment

- **Health and Safety**

Shell Advance 4T AX7 Scooter is unlikely to present any significant health or safety hazard when properly used in the recommended application and good standards of personal hygiene are maintained.

Avoid contact with skin. Use impervious gloves with used oil. After skin contact, wash immediately with soap and water.

Guidance on Health and Safety is available on the appropriate Safety Data Sheet, which can be obtained from <http://www.epc.shell.com>

- **Protect the Environment**

Take used oil to an authorised collection point. Do not discharge into drains, soil or water.
